I, Darian R. Tensley -41138-018- Declare under penalty of perjury that the foregoing is True and Correct. ~~DT~~-41138-018. All because of ofc. J Seidel sexual conduct. It has kick-started a series of Incidents on 8-14-2013 A.M. Since that day I've been treated very differently than the way most prisoners are treated "significant hardship" all these acts was carried out to instill fear, humiliate, degrade, intimidate, inrage. I have been assaulted by BOP staff at U.S.P Lewisburg. My right to be free from Cruel and unusual punishment. It has been interpreted to prohibit "excessive force" and BOP staff Brutality as well as unsanitary dangerous or overly restrictive conditions on entering its facility from transport gate area five (5) unknown %os met the transporting Van and one (1) of the five got into the Van punching me with closed fists and stated welcome to U.S.P Lewisburg nigger. This can be substantiated by the CCTV Surveillance Video Footage on 8-14-2013 A.M time, as Mr. G.WYE unit magaes whom observed this conduct and failed to report it as they BOP Staff stood by smiling. on said date 8-14-2013 A.M time. I was escorted from R&D to G-Block by 6 %os and all assaulted me on stairwell of G-Block than placed me in cell 310 were I decided to take a nap. I was awaken by Chemical agents being administer by Lt. J. Sherman as another un known %o yelled "stop kicking the door Tensley." chemical agent possessed a hand-held camrecorder and CCTV Surveillance Video Footage on 8-14-2013 A.M time I was prevented from being restrained for reason one of the unknown BOP staff from my left sprayed mace into the cell than closed food trap slot after however chemical agents still being administered After being order to move to the back of cell and face the wall (to which I had complied and should be heard by Chemical agents hand-held camrecorder as well.) the Brutal assault and battery escalated by chemical agents use of Black Rubber Bullets, Red Mace Balls as well as grnabe (cushion bombs) These act was carried out for revenge and retaliation. after all this I was told to come be restrained at this 8-14-2013 A.M I was taken to the shower to raise off the mace for maybe (1) minute as the chemical agents placed me in four point restraints telling me to breath in so the chain could be placed around my ribs cage and my hand restraints up against my chest and place in leg lions and a BOP staff lifted my head for the camrecorder and stated this is Inmate Darian Tensley as a gloat.
